

Make your own Dino-Mask!

1. Color the mask template. 2. Cut out the dino mask, don't forget the holes for your eyes! 3. Cut a piece of string to fit around your head. String through the side holes and secure with a knot.

Show us your masks adventurers!

Get a grown up to send in a picture of your dino-creations on instagram! @armchairadventuresuk

Join Connie and the gang on a Prehistoric Portal Adventure!

Listen to **Armchair Adventures** on Spotify, Apple Podcasts or wherever you get your podcasts.
